Kubota Canada

The leading distributor of compact diesel tractors & construction equipment in Canada, Kubota Canada Ltd. has achieved its success by offering the Canadian Marketplace innovative products and outstanding service. As one of the 22 world affiliates of Kubota Corporation, based in Osaka, Japan, Kubota Canada is able to offer world leading technology rooted in over 114 years of experience.

Founded in 1890, Kubota Corporation entered the Canadian Market in 1975 with an office in Markham, Ontario. Finding a void of suppliers of compact diesel tractors in North America, Kubota Canada was formed to fill the niche. Introducing 12 to 25 hp diesel tractors, the company quickly met with success. Although competition grew, Kubota Canada has successfully maintained its status as the industry's leader in its market segment. A major reason for the success and growth of Kubota, is that it is a corporation which remains in a constant state of improvement, making subtle changes based on customer feedback, assembly-line experience, and a large research and development team.

McLain Ward Does it Again at Toronto's Royal Horse Show

For the second year in a row, victory in the \$75,000 CN World Cup Grand Prix belonged to McLain Ward of Brewster, NY.

One of the featured events of the Royal Horse Show running November 3-12 in Toronto, ON, the \$75,000 CN World Cup Grand Prix saw 24 of the best riders in the world line up to tackle course designer Michel Vaillancourt's challenging track. And neither the competitors nor the audience were disappointed, as 10 riders managed to jump clear and advance to one of the most exciting jump-off's in Royal Horse Show history.

As the fourth rider back for the jump-off, Ward, 31, made quick work of the course, turning on a dime and galloping to the finish to stop the clock at 36.51 seconds riding Goldika, his bay Holsteiner mare. None who followed were able to catch his time, giving him and Goldika their second consecutive victory in the CN World Cup Grand Prix.

"I did the inside turn which the riders after me took, but she's a fast and experienced horse," said Ward who pocketed a \$25,000 winner's cheque presented by Hunter Harrison, CEO of sponsor CN. "The Royal Horse Show makes an effort to bring the best horses and riders here, and you try to rise to the occasion. It was a great win, and I needed it!"

Canada's Jill Henselwood came heartbreakingly close to catching Ward, clocking in at 36.78 seconds with Special Ed. The rider from Oxford Mills, ON, promised revenge, laughing, "I'll get McLain next time."

With 35.25 seconds on the clock, Ian Millar of Perth, ON, had the fastest time of the night but paid the price of fame when the overexcited crowd cheered loudly as he approached the final fence, disturbing In Style's concentration and causing the rail to fall. The eight-time Olympian finished fifth. Two Americans, Bezie Madden of Cazenovia, NY, and California's Richard Spooner both had clear jump-off efforts to finish third and fourth respectively.

Santa Clause Classic!

You read it here first.....Santa Clause is coming to Anderson Ranch!, and Santa himself has delivered an early Christmas present to all of us this year, and if we're all lucky an incredible new white French Footing that is wonderful to jump on will be in place for his feature event.

Given the success of the recently completed Halloween Classic, it is apparent to us that competitors would like to see some more of these fun and theme oriented competitions!

We will be trying something different with this tournament, not that holding an event in December in Alberta isn't already different enough, but we will have only hunters at the Santa Clause Classic, the reasons being twofold: Firstly, this province has so many competitions each year tailored to just jumpers, that we felt that it would be nice to have an event tailored to just the hunters. Secondly, with the amount of fun had at the Halloween Classic by all of the kids, we thought we would build on the "fun factor" and tailor the event again to the younger and more novice riders and horses.

On Saturday, there will be a full division (three over fences, and one flat class) of x-rail hunters followed by schooling hunter divisions ranging from 2'0" to 3'0" including a short stirrup pony hunter division. Champion and Reserves will be awarded in each of these divisions, and they will be awarded a free entry to there respective division "Classic" that will be held on Sunday, following two warm up classes for each respective height. The winner of each "Classic" will be awarded a beautiful Santa Clause Classic cooler for their horse/pony. As always for these schooling type tournaments we will be offering prize money and cash prizes to reward the efforts of our exhibitors.

We will be hosting an early Christmas Dinner on Saturday afternoon, so bring an appetite. With the popularity of the pumkin carving contest at the Halloween Classic, we will be hosting a Gingerbread House making contest with great prizes to be awarded upon its conclusion.

We invite you to bring your family and friends out to Anderson Ranch to enjoy some great show jumping and some good family fun.

Enjoy the Santa Clause Classic, & Good Luck to all Competitors!
