Gordito

2004 CSHA Bay Gelding

Sire: Goya De Lully

Dam: Shalorabek

Owner/Agent: Lisa Murphy / Landmark Farms

For Sale

Gordito is an athletic, fluid moving individual. He had 6 weeks under saddle with a professional early in 2008 and was ridden on and off during the year due to work constraints. He has started consistent work in 2009 and progressed well. He has had 4 weeks jumping with a professional and is showing nice form for the hunter ring. His walk and trot and balanced movement may indicate a dressage career.

Goya De Lully, Swiss Warmblood, was the product of years of careful and selective breeding, combining some of the world's most influential sires including Olympic, European and World Champions. Goya was bred by Jean Jacques Funfschilling, the breeder of Gauguin de Lully, in Switzerland. Goya was Reserve Champion in his 1996 stallion performance test in Avenches, winning the jumping division phase. Following the death of his legendary sire, Goya, being the closest genetic match to Gauguin, was returned home to cover the remaining mares booked to Gauguin. 80% of Goya's first foal crop was awarded premium status. Goya's world class heritage was evident in his three powerful, elastic gaits and his exceptionally generous attitude. At the age of seven, he started his dressage career and competed until an injury led to his retirement. Goya passed away in 2007 due to complications of his injury. Shalorabek is a registered Thoroughbred. Laura started off her career on the racetrack but soon exchanged that for saddle horse. Laura has exceptionally athletic up-hill movement consisting of a fluid, elastic, trot and ground covering canter. Laura is very brave and has a huge jump. Laura has been a broodmare for many years now and has consistently produced foals that carry her athleticism and movement.
